2 Of the petitioners who have protested against the abolition of the post of Chief Officer, both Messrs Singri Ramalingappa and Abdul Sattar are stated to be the members of the Municipal Council In reply to this office communications calling for reports on the protest petitions, the President reports that these petitions are due to the instigation of Mr. Ramalingappa who has been opposing the resolution from the beginning and that Mr Abdul Sattar who was a party to the original resolution for the abolition of the post of Chief Officer and who was also one of the deputation which waited

tolls by auction, but to work the concern
his own interest Further, in his reports, the
cising the actions of the Chief Officer, states that the lat
taking active part in setting up this agitation in the town and
his immediate transfer from the place , while the Chief Officer has
submitted a representation stating that the President has been very --
much interfering with his work etc

3. When I was in Tiptur on the 22nd and 23rd of this month in connection with the inspection of offices, I made enquiries and had a talk with some of the Municipal Councillors on the subject There is strong party feeling in Tiptur. The President's party commands a -- majority in the Council and the opposite party has been favouring the retention of the Chief Officer's post. As Government have however given a promise to try the abolition of the Chief Officer's post, I recommend that this may be given effect to as a tentative measure for 6 or - 8 months and the result watched.

The entire file of correspondence ending with the President's No. D C 2/30-31 dated 13-6-1931 on the subject and the protest petitions under reference accompany.
